Frontend

HTML5 CSS3 JavaScript TypeScript Vue.js React Angular

Backend

Node.js Express.js NestJS MongoDB MySQL REST APIs

Tools & DevOps

Git Firebase Docker AWS

EDUCATION

● **UOC (Universitat Oberta de Catalunya)**

2025

Frontend Developer

I completed the course with excellent grades, improving my knowledge in HTML5, CSS3, JavaScript and Vue.js to create modern and accessible web applications.

● **CIFO L'Hospitalet (Barcelona)**

2025

Hybrid Application Development for Android, iOS and PWA

I developed cross-platform applications putting into practice Angular.js, Ionic and Firebase to create native solutions for Android and iOS.

- **MERIT School (Barcelona)**

  2024

  Professional Certificate - Web Application Development with Web Technologies

  I acquired solid knowledge in HTML5, CSS3, JavaScript and Vue.js for frontend, and Node.js, Express, MongoDB and MySQL for backend.

- **Factoria F5 (Barcelona)**

  2023

  Fullstack Bootcamp (850h)

  I practiced React with TypeScript, NestJS, MongoDB, MySQL and Git, applying agile methodologies in real team projects.

- **FPC Multimedia School (Terrassa - Barcelona)**

  1997-2003

  Multimedia Graduate

  I started my professional path learning graphic design, web development and audiovisual production, which laid the foundation for my technical career.

PROFESSIONAL EXPERIENCE

- **Freelance Full-stack Developer**

  Remote • 2023 — 2025

  Full-stack web application development, from user interface to backend and databases. Frontend: Vue.js, Angular, React, HTML5, CSS3, Tailwind CSS and modern JavaScript. Backend: Node.js with TypeScript, Express.js, NestJS, working with MongoDB, MySQL and designing RESTful APIs. Integration with Firebase, Git, Docker and AWS.

- **Organic Poultry Farm Manager. Self-employed.**

  Sot del Palau (Arbúcies) • 2011 — 2023

  Bird care, direct sales of chickens and eggs. Client and supplier management. Billing and tax management. Marketing

- **Online Projects Director**

  JIP MOTOR (Barcelona) • 2007 — 2011

  Design and development of the company's 7 websites. Collaboration with brand managers and commercial team.

- **Web Developer**

  4D virtual (Barcelona) • 2000 — 2007

  Developer of various websites, project management, client relations and web hosting management
